FINDINGS AND DECISION

This medical fee dispute is decided pursuant to Texas Labor Code §413.031 and applicable rules of the Texas Department of Insurance, Division of Workers' Compensation.

Background

- 28 Texas Administrative Code §133.307 sets out the procedures for resolving medical fee disputes.
- The insurance carrier reduced payment for the disputed services with the following claim adjustment codes:
 - 29 – Time limit for filing claim has expired
 - 193 – Original payment decision maintained

Issues

1. Did the requestor submit MFDR request within provision of Rule 133.307?
2. Is the requestor entitled to additional reimbursement?

Findings

1. This request for MFDR is related to dates of service May 29, 2014 through June 13, 2014. The request was received by the Division on August 24, 2015. 28 Texas Administrative Code 133.307 (c) states,

Requests for MFDR shall be filed in the form and manner prescribed by the division. Requestors shall file two legible copies of the request with the division.

- (1) Timeliness. A requestor shall timely file the request with the division's MFDR Section or waive the right to MFDR. The division shall deem a request to be filed on the date the MFDR Section receives the request. A decision by the MFDR Section that a request was not timely filed is not a dismissal and may be appealed pursuant to subsection (g) of this section.

(A) A request for MFDR that does not involve issues identified in subparagraph (B) of this paragraph shall be filed no later than one year after the date(s) of service in dispute.

(B) A request may be filed later than one year after the date(s) of service if:

- (i) a related compensability, extent of injury, or liability dispute under Labor Code Chapter 410 has been filed, the medical fee dispute shall be filed not later than 60 days after the date the requestor receives the final decision, inclusive of all appeals, on compensability, extent of injury, or liability;
- (ii) a medical dispute regarding medical necessity has been filed, the medical fee dispute must be filed not later than 60 days after the date the requestor received the final decision on medical necessity, inclusive of all appeals, related to the health care in dispute and for which the insurance carrier previously denied payment based on medical necessity; or
- (iii) the dispute relates to a refund notice issued pursuant to a division audit or review, the medical fee dispute must be filed not later than 60 days after the date of the receipt of a refund notice.

Review of the submitted documentation finds insufficient information to support an exception to Rule 133.307 (c)(1)(B) exists. No additional payment can be recommended.

2. The Division finds the requirements of Rule 133.307(c)(1)(A) pursuant to timeliness of MFDR request was not met. Therefore, the requestor has waived the right to MFDR.

Conclusion

For the reasons stated above, the Division finds that the requestor has not established that additional reimbursement is due. As a result, the amount ordered is \$0.00.

ORDER

Based upon the documentation submitted by the parties and in accordance with the provisions of Texas Labor Code §413.031, the Division has determined that the requestor is entitled to \$0.00 reimbursement for the disputed services.
